

# WARRANTY

## 1. Products and Period

XIAMEN AcTEC Electronics Co., Ltd (hereinafter called "AcTEC") warrants to the purchaser that its brand new LED drivers are free from defect in material and workmanship, for a period of three years from production date.

## 2. Warranty Conditions

This warranty will be effective provided that: (A) The product is installed with lamps conforming to IEC specifications; (B) the product is used according to the product's specifications, e.g. temperature or voltage limits must not be exceeded; (C) the product is installed properly by qualified technical staff who meet the regulatory requirements.

## 3. Limited Warranty

If no breach of warranty conditions as specified above, any product appears defect in material or workmanship, the purchaser must notify AcTEC and claim for repair or replacement. If the claim is effective, AcTEC will act at its discretion either to repair or replace the defective product for free. Under no circumstances, will AcTEC be liable for any consequential, incidental, special or exemplary damages including, but not limited to, loss of profits, loss of use of, or damage to any associated equipment, cost of substitute products, facilities or services, cost of downtime, or claims of purchaser's customers.
